- **Database Management:** SQL Server, MySQL, Database Design, Data Modelling, Query Optimization
- **Software & Development Tools:** Visual Studio, SQL Server Management Studio (SSMS), GitHub, Microsoft Office Suite
- **Core IT Competencies:** Object-Oriented Programming (OOP), SDLC, Systems Analysis & Design, Troubleshooting & Debugging, Networking Fundamentals, Cybersecurity Fundamentals, Team Collaboration

PROJECT EXPERIENCE

Point of Sale & Inventory Management System | 2024

Technologies: SQL Server, Visual Studio (C# & ASP.NET)

- Developed a Point of Sale (POS) and Inventory Management System for a retail environment.
- Designed and implemented relational database tables using SQL Server Management Studio.
- Built a user-friendly front-end interface using C# and ASP.NET.
- Implemented inventory tracking and transaction management functionality.

School Management System | 2025

Technologies: SQL Server, Visual Studio (C#)

- Developed a learner management system to manage learner records.
- Implemented learner application and subject selection functionality.
- Designed forms with input validation to improve data accuracy.

E-Commerce Clothing Store | 2024

Technologies: WordPress, WooCommerce, XAMPP

- Built a functional e-commerce clothing website using WordPress and WooCommerce.
- Configured and managed a local hosting environment using XAMPP.
- Customized website functionality using plugins and content management tools.

Android Mobile Applications | 2025

Technologies: Android Studio (Java)

- Developed applications including a To-Do List, Calculator, and Booking App.
- Designed and implemented mobile interfaces using Java and Android Studio.

EDUCATION

Bachelor of Commerce Honours in Information Systems & Technology | 2025

University of KwaZulu-Natal

Bachelor of Commerce in Information Systems & Technology | 2020 – 2024

University of KwaZulu-Natal

National Senior Certificate | 2015 – 2019

Ladysmith High School

ADDITIONAL INFORMATION

Languages: English, IsiZulu

Professional Strengths: Analytical Thinking, Strong Communication Skills, Fast Learner, Adaptability, Attention to Detail, Time Management, Team Collaboration, Problem Solving
